Welcome

Dear member,

We are happy to have you as a member, welcome to
The Social Hub Glasgow!

If you have any questions, please do not hesitate to contact a Community Host – they are there to help you. If you have a problem or a question about any of the facilities, please inform us as soon as possible so we can resolve the issue as fast as we can.

We are all here to work hard and to have fun. Our policy is simple; respect the building and everyone in it. We have therefore established several house rules to ensure the building remains as beautiful and clean as possible and that all members can make fair and equal use of the facilities. The Social Hub reserves the right to amend the rules from time to time.

Guests

In order to guarantee enough space and the highest service for everyone, there are some rules for bringing guests to The Social Hub:

Members should always accompany their guests in community-only spaces. If a member leaves a community space, the guest shouldn't be left behind. Members are allowed to bring a maximum of 2 guests in the Coworking area. More guests can be brought inside based upon available space. If a guest joins a member in the flexible coworking spaces for the purpose of work, a community host might ask them to apply for a membership fee or day pass which can be purchased for £17.50 + VAT. Alternatively, we also remind you that we have meeting rooms available for you that can be booked.

Note: Guests are not permitted to the Coworking area outside of business hours (9 am to 5 pm). In exceptional cases and upon approval by the Community Manager, guests can be welcomed in your own office outside of business hours (not applicable for Flexible and Dedicated Desk members).

CCTV

For your safety and the safety of the other members of The Social Hub, CCTV footage in the residential areas is recorded and filed. In case of serious incidents on our property The Social Hub will provide the CCTV images to the authorities.

Pantry

There is one small pantry inside the Coworking area. It is a joint responsibility and effort to keep this area clean and neat. This area is not meant for members to store or leave behind their own belongings (this will be cleaned and removed every Friday). The kitchen will be cleaned on daily basis (except for weekends). To ensure that surfaces and floors are cleaned, please make

sure that there is no food, plates, glass, or rubbish on them. Use the dishwasher, do not be afraid to empty it also, it will not bite. Lastly, remember to take out your groceries from the fridges on Fridays before 4 pm as everything will be thrown away and deep cleaning will be done.

Eat & Drink

A discount of 20% will be applied to food and drink purchases for all community members.

Coworking members (flex, dedicated and office) are allowed to heat/eat their own food in the pantry and break out spaces.

Shop

Community members receive a 20% discount on items in the The Social Hub Shop.

Parking

Please note that there is no parking available on-site. However, you can park at nearby public car park.

Ask our community hosts for our discounted rates.

Bikes

N. 1 bike is available for 1h free usage for all the members. Upon availability, members can also rent a bike at the hotel reception. Every member will be asked to sign for the rental of their bicycle and agree to the attached terms and conditions. A bicycle will not be rented out unless the form is signed by both the member and a community host of The Social Hub. After signing the bike rental agreement and receiving the keys, the member will be the user of the bicycle until the bicycle and the keys have been returned to the reception desk. Members who rent a bicycle should report damage(s) at the reception on the same day the bicycle key has been issued. Any defects that are not reported, will be the responsibility of the user.

Events

Events can be hosted in various areas within the The Social Hub space. You will find the monthly events on the event calendar in the Coworking area and you will receive highlights in the regular newsletters. Feel free to approach The Social Hub crew if you need more information.
