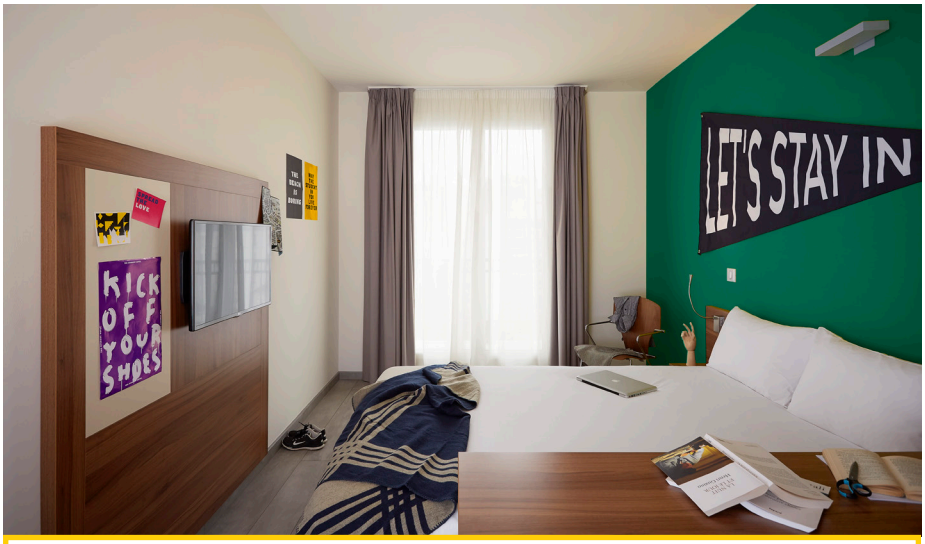
PARIS

THE STUDENT EXPERIENCE, REIMAGINED



WHAT WE OFFER YOU

TSH Paris opened in 2015 in the business district of La Défense, a modern Parisian neighbourhood characterised by its local authenticity, surrounded by some of the biggest business schools in the French capital. Our communal spaces are designed to inspire exactly the kind of interactions and discoveries that will make your students the Parisian they've always wanted to be. With a huge, friendly international community, non-stop events day and night, and some of Europe's most inspiring hotspots on our doorstep, your students are guaranteed a life-changing experience. Is there any better city to be a student? We don't think so.

A NEW WAY TO LEARN

From extra study spaces and lecture halls to exam facilities and meeting rooms, our Social Learning Spaces are fully customisable to deliver a diverse on-campus experience for your students. We offer spaces for extra study areas, temporary exam halls, lecture halls, co-working spaces, online conferences, meetings & events.
