

# Amsterdam City

## more than just a co-working space

TSH Collab is where work gets personal. In addition to stimulating designer workspaces and playful meeting and breakout areas, members enjoy the benefits of an engaging events calendar and a thriving spirit of community. As part of The Student Hotel Amsterdam City complex, the co-working space offers access to facilities such as designer lounges, a swimming pool,

Vondelgym, 250 hotel rooms, a 150-seat auditorium, and bar-restaurant, The Commons. We're located on Wibautstraat, aka Knowledge Mile, an up-and-coming social, creative and entrepreneurial hub of the city. Members also have access to other locations in Amsterdam West, The Hague and Rotterdam. Future locations will open soon in Maastricht, Florence, Bologna, and Vienna.

TSH Collab is a place where independent professionals can grow and nurture their businesses in an inspiring designer setting among a welcoming community of peers.
