

Delft

more than just a co-working space

Let's get down to business, Delft! TSH Collab is a bold and beautiful co-working space designed to give you everything you need from a workplace, be it a flex spot, dedicated desk, private office or meeting room. But look beyond the tables and chairs (and free coffee) and you'll discover that TSH Collab is all about community – helping you connect with inspiring freelancers, entrepreneurs and flexi-workers from across the globe.

As part of The Student Hotel Delft, our co-working space offers access to facilities including designer lounges, a hotel gym, coffee bar and on-site restaurant and bar, The Commons. Located at Van Leeuwenhoekpark in the Green Heart of Holland, it's the perfect spot to get inspired, collaborate and grow your business. Still not convinced? Membership at TSH Collab gives you access to all of our co-working locations across Europe, from Amsterdam to Florence.

The Student Hotel is a place where independent professionals can grow and nurture their businesses in an inspiring designer setting among a welcoming community of peers.

Our membership includes:

- Access to high-speed internet
- Free use of hotel lobby facilities
- Daily cleaning
- Social events and talks
- 20% discount at on-site restaurant
- 10% discount on hotel rooms in The Student Hotel
